To: All Personnel, National Regiment

Re: Gettysburg Living History

Gentlemen,

I wish to extend my heartiest thanks to each and every one of you for a job very well done at the recent Living History at Gettysburg, PA. From all reports I've received it would seem everyone had a good experience during the weekend.

As I stated at the outset of the event, you were the men who were going to have to do the bulk of the work while we officers learned our trade, and I was correct in my assessment. You all performed well and with only the usual grumbling I've come to expect, to which you are entitled, and the absence of which I should be very worried.

It is men such as you which set the National Regiment head and shoulders above any other organization out there who and make those of us out in front look so good.

On behalf of all the staff and officers of the NR allow me to thank you once again for your cooperation and assistance to create a pleasurable and instructive experience for all.

I remain,

Y'r. Ob't. Serv't.,

Thomas M. F. Downes
Colonel Commanding,
National Regiment
